WHAT IS CUB SCOUTS?

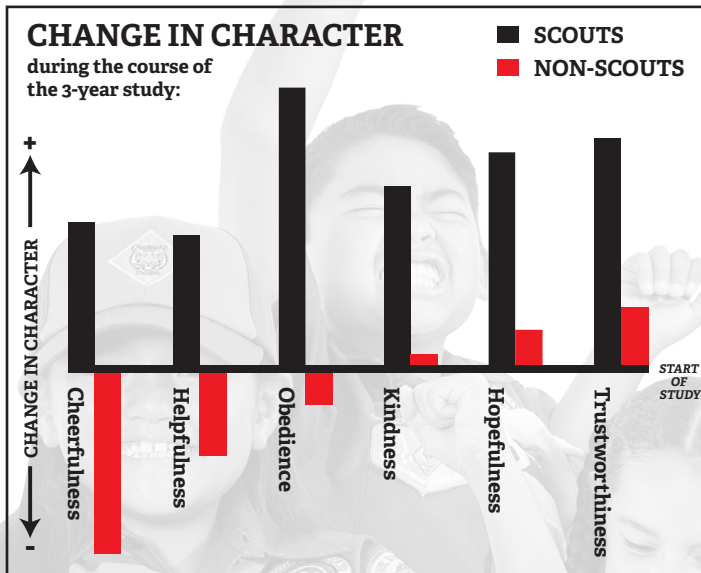

Cub Scouts is a fun-filled program for boys and girls, grades K-5.

Scouts go on amazing adventures while learning new skills, making friends, helping others, and building self-esteem.

WHY SCOUTING?

Convenience - Families today are busier than ever, and with less free time! In Cub Scouts, all siblings (grade K-5) can participate in the same pack program.

Scouting Builds Positive Character - Tufts University worked with Scouting over 3 years to measure character attributes of both Scouts and non-Scouts. In the beginning, there were no significant differences in character attributes. By the end, the differences were striking in several areas.

HOW DOES IT WORK?

Your family will become part of a local group called a pack that meets once a month for adventures, activities, and recognition of achievements.

The pack you choose is up to you. While there are likely many packs in your area, parents often decide to join the one closest to their child's school.

Your Cub Scout will be a part of a smaller group, within the pack, based on grade and gender, that meets a few times each month for age-specific activities.

HOW MUCH DOES IT COST?

There is an annual registration and insurance fee to join Scouting, which is prorated from the time you sign up through the end of the year. Please contact your local unit for more information.

There are also one-time uniform costs and nominal activity fees that may be charged by your local group.

These costs may be offset by fundraising and financial support for those who qualify.

HOW DO WE JOIN?

Join online today at BEASCOUT.ORG or attend the event on this flyer to learn more about your local Cub Scout pack.

For other local Scouting information, please contact PTAC.helpdesk@scouting.org.
